

It's time to immunize

Routine school immunizations include:

Grade 6: Hepatitis B vaccine (HBV) and Human Papillomavirus Vaccine (HPV)

Grade 9: Diphtheria, tetanus, acellular pertussis (dTap), and Meningococcal Group (A,C,Y,W-135) vaccine

Children in Grade 1-5 and Grade 7-8 will be offered any routine childhood or school vaccines that may have been missed.

To have your child immunized at school, please sign their consent form and return them to the school office.

Immunizations can be completed at Fort McMurray Public Health (113 Thickwood Blvd). Please call 780-791-6247 to book an appointment.
