

DECEMBER NEWS

Message from Mrs. O'Keefe

Well we've made it to the most wonderful time of the year! Congratulations to Lorenzo For winning the November Reading Challenge Prize! Remember the way we celebrate this year may be different, but our reason is the unchanging!

Covid Update

Student cohorts are being kept apart even more so than before, especially on the playground to reduce exposure risk.

According to the Premier's November 24th announcement, the first week of school after Christmas break will be at home learning. Please watch for communication and materials coming home this month!

Reminders

Please remember to continue to dress for the weather EVERY DAY!

December Reading Challenge will be coming home this week. Daily reading practice will help your student become a better reader even faster!

We will be filming our Christmas concert on December 11, students may dress up if they like. This will be posted on the last day of school.

Learning Focus

Language Arts

- Reading strategies – using picture cues, sounding out, and do I understand what I'm reading?
- Working on writing complete sentences with independently sounded out words 😊

Math

- Numbers 0-100

Bible

- Idolatry Discerning
You shall have no other gods before me. Exodus 20:3
