## CLASSROOM STORYLINE

**CHANGES:** It's not how we start, it's how we finish with God.

God cares about our hearts. He wants to know that we are willing to grow to become better Image Reflectors. The leaves on our tree were all done by the students and have things that they want God to help them change.. Ask your child what they wrote on their leaf and pray about it together. 1 Samuel 16:7

## THROUGHLINE OF THE MONTH

Justice Seeker - Students will learn to act as agent of restoration. The world is not as God intended it to be. In Justice Seeking we lead our students to see the injustices in this world - but seeing these things can't be where we stop. We need to enable students to act as agents of restoration by both identifying and responding to injustices.

## MATTHEW 6:19-28

**19** "Do not store up for yourselves treasures on earth, where moths and vermin destroy, and where thieves break in and steal. **20** But store up for yourselves treasures in heaven, where moths and vermin do not destroy, and where thieves do not break in and steal. **21** For where your treasure is, there your heart will be also. **22** "The eye is the lamp of the body. If your eyes are healthy, [c] your whole body will be full of light. **23** But if your eyes are unhealthy, [d] your whole body will be full of darkness. If then the light within you is darkness, how great is that darkness! **24** "No one can serve two masters. Either you will hate the one and love the other, or you will be devoted to the one and despise the other. You cannot serve both God and money. **25** "Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear. Is not life more than food, and the body more than clothes? **26** Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they? **27** Can any one of you by worrying add a single hour to your life[e]? **28** "And why do you worry about clothes? See how the flowers of the field grow. They do not labor or spin
