---

Please find attached the application form for financial assistance.

Christian education is an alternative program of the public school district and is not entirely funded by the division. In order to cover the costs associated with adding Christian programming, our families are required to pay fees based on the following:

GRADE	YEARLY FEE	MONTHLY
Kindergarten	\$500.00	\$50.00
<b>Grades 1 - 9</b>		
1 Student Family	\$1000.00	\$100.00
2 Student Family	\$1500.00	\$150.00
3+ Student Family	\$1750.00	\$175.00

When choosing the Fort McMurray Christian School, our families are expected to make both a personal and financial commitment to the teaching of our children based on scripture so that we train them up in the way that they should go - *Proverbs 22:6*. Unfortunately, sometimes our families experience circumstances that prevent them from being able to contribute to the extent outlined in the table above. God has blessed our school and provided for us so that each year we have been able to set aside funds that are earmarked specifically for helping families who are experiencing financial hardship.

Our application below asks for a monthly dollar value that each family feels they *can* afford to pay. Even though the entire monthly fee may not be feasible, we do believe that every family can make a commitment towards their child(ren)s educational expense. Please take some time to discuss with God and with your family as to what this amount should be.

Please be aware that a financial assistance application is required *each year*. Financial circumstances can change for both our families and our society. It is important that you get your application in as early as possible and meet with the Society Administrator, if needed, in order for our executive to allocate funds appropriately and in a timely manner.

Please note: Bus fees are set and imposed by the Public School District and are not subject to financial assistance by the FMCS society.

If you have any questions as to how this process works or would like to set up your meeting to discuss your application, please contact our Society Administrator, Krista Downey, at the email address below.

Blessings,

Krista Downey
