

**SEPTEMBER / OCTOBER
PROJECT IDEAS**

INDEPENDENCE

<p>September: Get Out of Your Comfort Zone</p> 	<p>Get comfortable with trying out things that “stretch” you, and allow you to be more independent than before. Stepping outside your comfort zone is where the growth happens!</p>
<p>October: Spread Your Wings</p> 	<p>How can you extend or build upon what you tried in September for your Let Grow Project?</p> <p>Now that you’ve challenged yourself with something outside of your comfort zone, what comes next? How can you stretch or extend that first Project?</p> <p>For example, if your first Project was making your own breakfast, you could spread your wings by:</p> <ul style="list-style-type: none"> • Making breakfast for your siblings or your whole family. • Making your own lunch for at least three days in a row. • Planning dinner, writing the shopping list, and buying the groceries you need.
